## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9/20/2007 has been entered.

### ***Response to Amendment***

Examiner acknowledges the submission containing amendments to the claims, amendments to the specification, and remarks.

### ***Allowable Subject Matter***

1. Claims 1-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or disclose separating a first reactor effluent into a first liquid and a first vapor; separating the first vapor into a second liquid and a second vapor; combining the first and second liquid streams and sending the combined streams directly to a reformat pool; such that a substantial portion of the aromatics in the first reactor effluent stream is collected in the reformat pool; and sending the second vapor stream to a second reactor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Constance Gail Rhebergen on 12/10/2007.

The application has been amended as follows: Claims 25-33, currently indicated as withdraw, are now cancelled without prejudice.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John C. Douglas whose telephone number is 571-272-1087. The examiner can normally be reached on 7:30 A.M. to 4:30 P.M..
